\*If your participant number is greater than the maximum capacities below, you will have to book consecutive program times.

**Fees:** Program fees vary depending on the program type, or number of consecutively booked programs. Travel fees of \$20 within the first 25 miles, and \$10 for each additional 10 miles, are applied in addition to program fees. A payment link will be provided in your contract if you wish to pay by credit card.

## Programs for Audiences of All Ages

### Live Animal Encounter (30 min)

Groups of up to 50 participants at a time can schedule a live animal encounter at their facility. This will include meeting 3 of our zoo program animals up close. **Fee:** \$210 for the first program, \$175 for additional consecutive programs (max 3 per day)

### Event Table/Mingle (1-3 hours)

Having an event at your site? Book a Traveling Zoo walk-by table or have an educator mingle with live animals at your special event. Special requirements may apply. **Fee:** \$285 for the first hour, \$75 for each additional 30 minutes (max 3 hours)

### Safe Environments: Anti-Bullying Program (45 min, 50 participants for Standard, 51-200 for Assembly)

Groups will learn together about how students can cultivate safe environments not only for each other, but also for the animals with whom we share the world. **Standard Class Fee:** up to 50 participants: \$210 for the first program, \$175 for additional consecutive programs (max 3 per day); **Group Assembly Fee:** 51 to 200 participants: \$400 for the first program, \$275 for additional consecutive programs (max 3 per day)

## Curriculum-Based Programs

Groups larger than the noted program max may book an assembly program for up to 200 participants per program (at the Assembly rate of \$400 for the first program, \$275 for additional consecutive programs). Alternatively, consecutive programs can be booked back-to-back. Due to animal safety restrictions, a maximum of 3 programs in a row can occur. Programs typically include meeting 2-4 animals and themed lessons. Select from one of the following programs (see [Program Guide](#) for full descriptions):
