

# WILD ART KIT GIVEAWAY

## BOTTLE BIRD FEEDER

### Materials:

- 3D printed bird feeder base (included)
- An empty water or soda bottle
- Wire or string for hanging your bird feeder
- Bird seed

### How To:

- Attach a piece of wire or string (we used ribbon!) onto the bottom end of your empty bottle. We poked holes and threaded the ribbon through (ask an adult for help!)

- Fill your empty bottle with bird seed

# BOTTLE BIRD FEEDER

- Screw the 3D printed base of your feeder onto the bottle
- Hang your newly constructed bird feeder and watch to see who visits!
