STANDARD SCHOOL PROGRAMS

STORYBOOK PROGRAMS
Prek-Grade 2
Program Length: 30 min
Available Year Round Traveling Zoo, Zoo School, and Virtual Zoo
During storybook programs, we’ll read a story and discuss relevant themes paired with some animal friends and touchable artifacts from the story. Choose from the following books, or ask about a custom book: Cactus Hotel by Brenda Z. Guiberson, I am Jane Goodall by Brad Meltzer, Save the Ocean by Bethany Stahl, Save the Arctic by Bethany Stahl, Save the Land by Bethany Stahl, Okapi Loves His Zebra Pants by Terri Tatchell, Aye-Aye Gets Lucky by Terri Tatchell, Adventures of a Pangopup by Terri Tatchell, Pinduli by Janell Cannon, Crickwing by Janell Cannon, Stellaluna by Janell Cannon, or Verdi by Janell Cannon.

HABITATS AND ECOSYSTEMS (Grade 2-9)
Program Length: 45 min
Animals live in their habitat homes, and each habitat contains an ecosystem of interacting plants and animals that rely on each other for survival. Learn about what makes up ecosystems and habitats and what animals need to survive. Optional add on to learn about Delaware ecosystems. This program is tailored to your students age group.

ANIMAL BEHAVIOR (Grade 9-12)
Program Length: 45 min
How do scientists conduct animal behavior research? In this program we’ll become the scientists by learning about ethograms and creating an animal activity budget of our own.

ANIMAL CAREERS (Grade 9-12)
Program Length: 45 min
Interested in working with animals? You have lots of options! In this program we’ll learn about all the career options that work with animals and try out some of the activities for ourselves!

HUMAN EVOLUTION (Grade 9-12)
Program Length: 45 min
This program focuses on primate and human evolution. What makes a primate a primate? How did humans evolve? What makes humans special?
