ALL STANDARD SCHOOL PROGRAMS AVAILABLE THROUGH TRAVELING ZOO, ZOO SCHOOL, AND VIRTUAL ZOO.

STORYBOOK PROGRAMS
Prek-Grade 2
Program Length: 30 min
During storybook programs, we’ll read a story and discuss relevant themes paired with some animal friends and touchable artifacts from the story. Choose from the books listed on our website during your registration or ask about a custom book!

FIVE SENSES (preK- Grade 2)
[Aligns with Senses Unit]
Program Length: 30 min
Discover how humans and animals use their senses of smell, taste, touch, sight, and hearing to learn about their surrounding and interact with their world.

ANIMAL ADAPTATIONS (Grade 2-9)
Program Length: 30 min
Explore how animals are adapted to live in their environments and discover the importance of biodiversity and why the conservation of each organism matters. This program is tailored to your students age group.

HABITATS AND ECOSYSTEMS (Grade 2-9)
Program Length: 30 min
Animals live in their habitat homes, and each habitat contains an ecosystem of interacting plants and animals that rely on each other for survival. Learn about what makes up ecosystems and habitats and what animals need to survive. Optional add on to learn about Delaware ecosystems. This program is tailored to your students age group.

ANIMAL SKELETONS (Grade 6-9)
LS1.C, LS4.D [Aligns with Human Bodies Unit]
Program Length: 30-45 min
What is a backbone? Do all animals have them? Explore skeleton and body structures of humans and other animals, comparing and contrasting people and animal bodies.

ANIMAL BEHAVIOR (Grade 9-12)
Program Length: 30-45 min
How do scientists conduct animal behavior research? In this program we’ll become the scientists by learning about ethograms and creating an animal activity budget of our own.

ANIMAL CAREERS (Grade 9-12)
Program Length: 30-45 min
Interested in working with animals? You have lots of options! In this program we’ll learn about all the career options that work with animals and try out some of the activities for ourselves!

SAFE ENVIRONMENTS: ANTI BULLYING PROGRAM (all ages)
Program Length: 30 min
This program helps students better understand each other using animals that are often misunderstood or feared. We’ll learn about how students can cultivate safe environments not only for each other and for animals.
